

Rest Easy Registration Coverage

If for any reason you are unable to attend a race you have registered for, this coverage will allow you to transfer current registration to another event within the year or the same event the following year. Please contact Debra@Tri-Now.com to request your registration change. Requests must be made on or before race day of original event. Registration coverage must be purchased at time of registration. Change applies only to an event of the same type and distance. This coverage does not give a refund. Coverage will be null and void if race swag, bibs or other materials have been picked up.

When emailing, please provide: 1) what event you are currently registered for 2) what event you wish to transfer to and 3) verification that you purchased the registration coverage.

Cost \$7.00
